## Quattro<sup>®</sup> 2

© Disney

### Quattro<sup>®</sup> 2 Innov-is 6700D

- ▶ **Built-in stitches, embroidery designs and fonts**  
638 built-in sewing stitches, 677 built-in embroidery designs including 207 designs featuring Disney characters and 14 bobbin work designs, 18 embroidery lettering fonts and 3 sewing lettering fonts.
- ▶ **InnovEye<sup>®</sup> Technology**  
It's like having a built-in camera above the needle. Use for automatic edge sewing, embroidery and precise positioning.
- ▶ **Scanning feature with InnovEye<sup>®</sup> Technology**  
See what the needle sees with the exclusive InnovEye<sup>®</sup> Technology. Touch a button to scan the hooped fabric and position your design exactly where you want it.
- ▶ **Color Shuffling<sup>™</sup> Function**  
Be your own colorist! View a design in a myriad of colors and audition new palettes without ever leaving your machine.

- ▶ **10" Pen Tablet with My Custom Design<sup>™</sup> feature**  
Create your own embroidery designs using the exclusive My Custom Design<sup>™</sup> feature. Sketch, trace and auto-graph on the Pen Tablet and then watch the Quattro<sup>®</sup> 2 transform your doodles into stitches.
- ▶ **Large embroidery area**  
Maximum embroidery field of 8" x 12". Includes four sizes of embroidery frames: 8" x 12", 8" x 8", 4" x 4" and 2.5" x 1".
- ▶ **Advanced Super View HD LCD touch screen display by Sharp<sup>®</sup> Corporation**  
16.7+ MILLION possible colors with little or no color shifting. Enhanced viewing angle of 176 degrees. Adjustment feature allows you to change the brightness of the screen.
- ▶ **Enhanced onscreen auto resizing of designs**  
Design stitch count is automatically recalculated when a design is enlarged up to 200% or reduced down to 60%. The density can also be adjusted manually.

- ▶ **Automatic Height Adjuster<sup>™</sup> AHA<sup>®</sup> feature**  
The AHA<sup>®</sup> feature helps ensure consistent stitch length on all fabric thicknesses by keeping the presser foot pressure consistent regardless of fabric thickness, leading to uniform stitch quality across uneven surfaces.
- ▶ **Sew with the embroidery unit attached**  
Embroidery unit moves completely out of the sewing area for quick sewing process change overs as well as allowing you to sew in the embroidery hoop.
- ▶ **Three built-in USB ports**  
Connect to your PC, insert USB media and connect your USB mouse, all at one time to save or import data with the click of your mouse. USB ports also allow for free machine updates.
- ▶ **My Custom Stitch<sup>™</sup> feature**  
Create personalized sewing stitches and save for future use.
- ▶ **Custom Rolling Bag and Soft Cover included**

SERIES

### DreamWeaver™ XE VM6200

#### ▶ Built-in stitches, embroidery designs and fonts

561 sewing stitches (531 built-in, 30 on CD), 318 built-in embroidery designs including 91 designs featuring Disney and 13 bobbin work designs, 14 embroidery fonts, 3 Japanese embroidery fonts, and 140 frame pattern combinations.

#### ▶ Our largest workspace ever

Enjoy a 5.0" x 11.25" workspace to accommodate large projects.

#### ▶ Large 3.6" x 6.0" LCD touch screen display

See 260,000 colors with little or no color shifting. View onscreen tutorials, and control the machine with the large, intuitive onscreen icons.

#### ▶ V-Sonic™ Pen Pal for Sewing

Change needle position, set stitch width and position, select sewing end point, and set laser guide position without taking your eyes off your project – simply touch and sew.

#### ▶ V-Sonic™ Pen Pal for Embroidery

Ultrasonic sensing provides embroidery positioning and angle rotation with a simple touch – because everyone needs a pal once in a while.

#### ▶ 10-inch LED Runway® Lighting

No more task lights needed. Now 50% brighter than in previous Brother machines!

#### ▶ MuVit™ Digital Dual Feed

Use the direct motor-driven foot to powerfully feed fabric from the top and bottom, giving you greater control.

#### ▶ Droplight™ Embroidery Positioning Marker

The LED pointer shows the needle drop position with pinpoint accuracy – critical for embroidery.

#### ▶ Sew Straight™ Laser Vision Guide

It's never been easier to sew a straight line. A huge benefit when sewing, piecing, pintucking and cording.

#### ▶ Up to 1,050 stitches per minute

Create more works of art in less time.

#### ▶ Large embroidery area

Maximum embroidery field of 7" x 12". Includes two sizes of embroidery frames: 7" x 12" and 5" x 7".

#### ▶ Built-in dual USB ports

Connect to your computer for importing and exporting designs or performing machine updates. Use the second port to import and export designs from your memory stick.

#### ▶ iBroder.com compatible

Download over 5,000 unique designs, available for individual purchase. Exclusively for Brother customers.

#### ▶ Exclusive bag set included – \$299.99 Value

LAURA ASHLEY®

### Isodore™ Innov-is 5000

Quilt Club  
SERIES

#### ▶ Built-in stitches, embroidery designs and fonts

531 built-in sewing stitches (including 44 on CD), 416 built-in embroidery designs including 50 Laura Ashley® European floral designs, 17 embroidery lettering fonts and 3 sewing lettering fonts.

#### ▶ My Custom Design™ and My Custom Stitch™ features

Create personalized designs and sewing stitches, and save them to memory for future use.

#### ▶ Large embroidery area

Maximum embroidery field of 7" x 12". Includes four sizes of embroidery frames: 7" x 12", 5" x 7", 4" x 4" and 2.5" x 1".

#### ▶ BES® Monogramming Suite Software included

This included user-friendly and intuitive software adds a special personalized touch to home décor items, napkins, towels, clothing and more!

#### ▶ Built-in dual USB ports

Connect to your computer for importing and exporting designs or performing machine upgrades. Use the second port to import and export designs from your USB memory stick.

#### ▶ Pivot function

The presser foot automatically lifts as the needle remains lowered for fast and easy fabric manipulation.

#### ▶ Included Circular Attachment and Bobbin Work

Use the circular attachment to stitch precise circles of straight, satin or decorative stitches, and use the Bobbin Case for bobbin work to enhance any project with beautiful, raised and textured stitches.

#### ▶ Custom Laura Ashley® Rolling Bag included

© Disney

### Duetta® 2 4750D

Quilt Club  
SERIES

#### ▶ Built-in stitches, embroidery designs and fonts

487 built-in sewing stitches, 416 built-in embroidery designs including 134 designs featuring Disney characters, 13 embroidery lettering fonts and 3 sewing lettering fonts.

#### ▶ Automatic Height Adjuster™ AHA® feature

The AHA® feature helps ensure consistent stitch length on all fabric thicknesses by keeping the presser foot pressure consistent, regardless of fabric thickness, leading to uniform stitch quality across uneven surfaces.

#### ▶ Pivot function

The presser foot automatically lifts as the needle remains lowered for fast and easy fabric manipulation.

#### ▶ Automatic needle threading system

With the touch of a button, the thread is pushed through the eye of the needle. Machine can be threaded manually for twin and specialty needle threading.

#### ▶ Built-in dual USB ports

Connect to your computer for importing and exporting designs or performing machine upgrades. Use the second port to import and export designs from your USB memory stick.

#### ▶ Large embroidery area

Maximum embroidery field of 7" x 12". Includes four sizes of embroidery frames: 7" x 12", 5" x 7", 4" x 4" and 2.5" x 1".

#### ▶ ELS® Embroidery Lettering Software included – \$199.95 Value

Easy-to-use for all of your essential lettering and monogramming needs. Perfect for the beginner interested in trying lettering for the first time. Includes 20 built-in fonts and 5 monogram styles. Merge letters or monograms with other stitch files.

Download Center  
5,000+ Designs Available for Purchase

## Entrepreneur® Pro PR1000e

- ▶ **10-needle embroidery machine**  
Embroider multi-color designs faster and easier, with fewer thread changes.
- ▶ **Automatic needle threading system**  
Thread each needle in seconds with the press of a button.
- ▶ **Large embroidery area of 14" x 8"**  
Includes four sizes of embroidery frames: 14" x 8", 5" x 7", 4" x 4" and 2" x 1.5".
- ▶ **InnovEye® Technology**  
It's like having a built-in camera above the needle; provides a crisp, clear, magnified image on the LCD screen display. Use for precise positioning of designs.
- ▶ **Snowman® Embroidery Positioning Marker**  
Designed to work with the InnovEye® Technology, this feature is like having a built-in GPS system for your needle position, allowing for ultra-precise positioning of designs.
- ▶ **Built-in embroidery designs and fonts**  
110 built-in embroidery designs; 28 size-adjustable embroidery lettering fonts including new children's, handwritten and connected script fonts; Greek, Appliqué, Floral and Renaissance alphabet designs; 3 monogramming font styles.
- ▶ **Advanced Super View (ASV) HD LCD touch screen display by Sharp® Corporation**  
16.7+ MILLION possible colors with little or no color shifting and enhanced viewing angle of 176 degrees.
- ▶ **Expanded design editing features**  
Alter designs on the LCD touch screen display – with built-in rotate, mirror image, enlarge/reduce, letter spacing, thread density, group edit functions and more.
- ▶ **Three USB ports**  
High speed port for fast design transfers. A second port for machine peripherals. A third port for computer connectivity and future upgrades.
- ▶ **Included extra-large work table**  
Provides a stable support system for frames and heavy items.
- ▶ **Included PE-DESIGN® NEXT Upgrade software\***  
Allows up to four upgraded PR1000 Series or upgraded PR650 Series machines to be linked to one computer for enhanced productivity.  
\*Customers must have PE-DESIGN® 5.0 or above software in order to use the included PE-DESIGN® NEXT Upgrade software.

## Entrepreneur® PR650e

- ▶ **6-needle embroidery machine**  
Set up 6 different thread spools at once.
- ▶ **Onscreen viewing enlargement feature**  
See many designs at up to 200% their actual size.
- ▶ **Individual stitch backup**  
Backup through designs by individual stitches, color blocks or groups of 500 stitches (an increase of 400 stitches).
- ▶ **Large embroidery area of 12" x 8"**  
Includes four sizes of embroidery frames: 12" x 8", 5" x 7", 4" x 4" and 2" x 1.5".
- ▶ **Built-in embroidery designs and fonts**  
25 built-in embroidery designs; 25 size-adjustable embroidery lettering fonts; Greek, Appliqué, Floral and Renaissance alphabet designs; 3 monogramming font styles, and 15 coordinating accents; 10 frame designs. Plus, 60 BONUS designs on included USB memory stick.
- ▶ **Automatic needle threading system**  
Thread each needle in seconds with the press of a button.
- ▶ **Stitch with confidence using the basting function**  
Apply a basting stitch outline to the perimeter of any design to hold the fabric to the stabilizer. Great for larger fabrics and hard-to-hoop items.
- ▶ **Three USB ports**  
High speed port for fast design transfers. A second port for machine peripherals. A third port for computer connectivity and future upgrades.
- ▶ **Advanced Super View (ASV) HD LCD touch screen display by Sharp® Corporation**  
16.7+ MILLION possible colors with little or no color shifting and enhanced viewing angle of 176 degrees.
- ▶ **Individual stitch backup**  
Backup through designs by individual stitches, color blocks or groups of 500 stitches.

Create more works of art in less time.
- ▶ **Automatic Height Adjuster™ AHA® Feature**  
The AHA® feature helps ensure consistent stitch length on all fabric thicknesses by keeping the presser foot pressure consistent, regardless of fabric thickness, leading to uniform stitch quality across uneven surfaces.
- ▶ **Pivot function**  
The presser foot automatically lifts as the needle remains lowered for fast and easy fabric manipulation.

- ▶ **Bobbin winding while sewing**  
A big time saver — wind bobbins for future use while sewing.
- ▶ **Lockstitch key**  
With the touch of a button, tie-off stitches can be easily sewn at the beginning and end of the stitch.
- ▶ **Automatic needle threader**  
With the touch of a button, the thread is pushed through the eye of the needle. Machine can be threaded manually for twin and specialty needle threading.
- ▶ **Built-in dual USB ports**  
Connect to your computer for importing and exporting designs or performing machine updates. Use the second port to import and export designs from your memory stick.
- ▶ **Exclusive bag set included — \$299.99 value**
- ▶ **Expansive wide table included**  
Provides even more workspace which is great for working on larger projects such as quilts.

LAURA ASHLEY®

Quilt Club®  
SERIES

## Innov-is NX2000

## ▶ Built-in stitches, buttonhole styles and fonts

460 built-in sewing stitches (430 built-in and 30 on CD) including 12 styles of 1-step buttonholes and 3 sewing lettering fonts.

## ▶ Pivot function

The presser foot automatically lifts as the needle remains lowered for fast and easy fabric manipulation. Provides precisely executed stitches on corner turns, a must-have feature for mitered corners, bound buttonholes, welt pockets and so much more.

## ▶ Thread sensors

Machine automatically stops sewing prior to running out of bobbin thread and the upper thread tension sensor recognizes when upper thread is empty or broken.

## ▶ Adjustable presser foot pressure and height

Adjust the presser foot pressure and height for smoother delivery of fabric height variations.

## ▶ Advanced LCD touch screen display

Select, edit and save stitches, and view built-in tutorials on the 4.6" x 3.5" LCD touch screen display.

## ▶ Free-motion stitching

The foot height adjusts for precise free-motion projects. Three included free-motion feet.

## ▶ Multiple cutting operations

On-board scissors and programmable trimming allow you to cut the thread with just the touch of button.

## ▶ Extra-large quilting extension table included

Expands your sewing work area to easily handle large projects like drapes and quilts.

## ▶ Included Circular Attachment and Bobbin Work

Enhance your projects with precise circles and beautiful raised stitches.

LAURA ASHLEY®

Quilt Club®  
SERIES

## Innov-is NX800

## ▶ Built-in stitches, embroidery designs and fonts

138 built-in sewing stitches including 10 styles of 1-step buttonholes, and 3 lettering fonts.

## ▶ Easy stitch selection via 10-digit pad

Quickly select the stitch pattern desired with a simple touch on the stitch keys. Easy to attach and view stitch reference chart also included.

## ▶ Memory

Save your favorite pattern combinations in one of the internal memory pockets for future use.

## ▶ My Custom Stitch™ feature

Create personalized sewing stitches and save for future use.

## ▶ Easy-to-read LCD display screen

The LCD display screen makes it easy to manage all sewing functions, including stitch selection, stitch length and width and recommended presser feet.

## ▶ Lowercase lettering

Lowercase letters and additional characters are available for all 3 sewing font styles.

## ▶ Sideways sewing

Perfect for sewing patches and appliqués on projects using the straight stitch and zig zag horizontal sewing capability.

## ▶ Automatic upper thread tension

Adjusts upper thread tension for preferred stitches on virtually any fabric.

## ▶ Quilting accessories included

Wide table, walking foot, quilting foot, quilting guide, as well as a side cutter attachment.

## ▶ Hard portable machine cover included

Provides travel and storage protection for your machine.

RUNWAY®  
PROJECTRUNWAY.COM

Limited Edition

## Innov-is 80

## ▶ Built-in stitches, buttonhole styles and fonts

80 built-in sewing stitches including 10 styles of 1-step auto-size buttonholes, and 1 sewing lettering font.

## ▶ Built-in needle threading system

With the press of a lever, the thread is pushed through the eye of the needle.

## ▶ Easy stitch selection via 10-digit pad and large back-lit LCD screen display

Select desired stitch pattern with a simple touch on the digital pad and view the stitch length and width information on the large back-lit LCD display.

## ▶ Ability to combine stitches for greater creativity

Combine stitches into favorite patterns, repeat patterns and create mirror images of stitches.

## ▶ Memory

Save your favorite stitch in one of the memory pockets for future use.

## ▶ Lightweight and portable

Convenient and easy to take on-the-go or to classes.

## ▶ Hard cover

Helps protect your machine from dust.

Limited Edition

### SB3129 – Simply Creative

- ▶ **Built-in stitches, buttonhole styles and fonts**  
129 built-in sewing stitches including 10 styles of 1-step auto-size buttonholes, 3 lettering styles – each with 55 alphanumeric characters.
- ▶ **My Custom Stitch™ feature**  
Create personalized sewing stitches and save for future use.
- ▶ **Direct 10-key stitch selection and large back-lit LCD display screen**  
Select a desired stitch pattern with a simple touch on the digital pad and view the stitch length and width information on the LCD display.
- ▶ **Advanced needle threading system**  
With the press of a lever, the thread is pushed through the eye of a needle.
- ▶ **Automatic thread trimming**  
Save time by trimming thread with the touch of a button.
- ▶ **Digital stitch length and width control**  
Adjust the stitch length and width to perfect your project's look.
- ▶ **Electronic variable speed control**  
Fast or slow, your machine retains its full power.
- ▶ **Start/Stop button**  
Sew with or without the foot controller attached.
- ▶ **Super bright dual LED work area**  
Helps reduce eye strain when working on dark fabric.
- ▶ **Wide table included**  
Perfect for larger projects
- ▶ **Hard cover included**

**Simplicity**  
Limited Edition

### SB700T – Simply Brilliant

- ▶ **Built-in stitches, buttonhole styles and fonts**  
70 built-in sewing stitches including 7 styles of 1-step auto-size buttonholes.
- ▶ **Back-lit LCD screen display with simple push-button stitch selection**  
With just a simple push of a button, select the desired stitch and its optimum settings.
- ▶ **Electronic variable speed control**  
Fast or slow, your machine retains its full power.
- ▶ **Easy bobbin winding system**  
With the fast and simple bobbin winder, you can wind the bobbins with the press of a lever.
- ▶ **Jam resistant Quick-Set™ drop-in top bobbin**  
Just drop in a full bobbin, pull the thread through the slot and start sewing.
- ▶ **Free arm sewing surface**  
Perfect for sewing cuffs and sleeves.
- ▶ **Wide table included**  
Perfect for larger projects.
- ▶ **Start/Stop button**  
Sew with or without the foot controller attached.
- ▶ **Easy-to-use needle threading system**  
With the press of a lever, the thread is pushed through the eye of the needle.
- ▶ **Reverse Stitch**  
Easy reinforcement stitch with the touch of a button.

**Simplicity**  
Limited Edition

### SB530T – Simply Elegant

- ▶ **Built-in stitches, buttonhole styles and fonts**  
53 built-in sewing stitches including 1 style of 1-step auto-size buttonhole.
- ▶ **Brightly lit LED work area**  
Helps reduce eye strain when sewing on dark fabrics and ensures accurate seams and stitch quality.
- ▶ **Easy stitch selector dial**  
Choose the desired stitch from the stitch reference guide, then easily select stitches using the convenient dial.
- ▶ **Built-in threading system makes threading easy**  
With the press of a lever, the thread is pushed through the eye of the needle.
- ▶ **Jam resistant Quick-Set™ drop-in top bobbin**  
Just drop in a full bobbin, pull the thread through the slot and start sewing.
- ▶ **Quick change presser feet**  
Easily change the feet to meet your sewing needs.
- ▶ **Free arm sewing surface**  
Perfect for sewing cuffs and sleeves.
- ▶ **Wide table included**  
Perfect for larger projects.
- ▶ **Adjustable stitch length and width**  
Sew fine details easily and accurately.

**Simplicity**  
Limited Edition

### SB170 – Simply Affordable

- ▶ **Built-in stitches and buttonholes**  
17 built-in sewing stitches including 1 style of 4-step auto-size buttonhole.
- ▶ **Easy-to-use blind hem stitch**  
Stitch professional-looking hems, helping to make mending less of a chore.
- ▶ **Brightly lit LED work area**  
Helps reduce eye strain when sewing on dark fabrics and ensures accurate seams and stitch quality.
- ▶ **Easy bobbin winding system**  
With the fast and simple bobbin winder, you can wind the bobbins with the press of a lever.
- ▶ **Jam resistant drop-in top bobbin**  
Just drop in a full bobbin, pull the thread through the slot and start sewing.
- ▶ **Easy stitch selector dial**  
Choose the desired pattern from the reference guide, and then easily select the pattern using the convenient dial.
- ▶ **Upper thread tension control dial**  
Control thread tension to create even stitches.
- ▶ **Free arm sewing surface**  
Perfect for sewing cuffs and sleeves.

**Simplicity**  
Limited Edition

See Page 15 for  
Simplicity® Embroidery-Only Machine.

### Innov-is NX250

- ▶ **Built-in stitches and buttonholes**  
80 built-in sewing stitches including 7 styles of 1-step buttonholes.
- ▶ **Computerized easy stitch selection via 4 cursor keys and LED display screen**  
Ability to easily select the stitch pattern using the cursor keys and LED display screen.
- ▶ **Jam resistant Quick-Set™ drop-in top bobbin**  
Just drop in a full bobbin, pull the thread through the slot and start sewing.
- ▶ **Adjustable presser foot pressure**  
Adjust the presser foot pressure to align with the feed dog motion for smoother delivery of fabric height variations.
- ▶ **Advanced needle threading system**  
With the press of a lever, the thread is pushed through the eye of the needle.
- ▶ **Super bright LED work lights**  
Helps reduce eye strain when sewing on dark fabrics and makes accurate seams and stitch quality.
- ▶ **Hard cover**  
Helps protect your machine from dust.

### Pacesetter® PS21

- ▶ **Built-in stitches and buttonhole styles**  
21 built-in sewing stitches including 1 style of 1-step buttonhole.
- ▶ **Reverse sewing lever**  
Oversized lever conveniently located at lower front of machine.
- ▶ **Built-in threading system**  
Fast and easy threading of the needle; no more searching for the eye of the needle.
- ▶ **Adjustable stitch width and stitch length controls**  
Adjust the convenient dials to lengthen or widen the stitch to perfect your project's look.
- ▶ **Dual-spool threading and twin-needle capability**  
Expand stitch options by adding two-color stitching to any project.

### PQ1500S

Quilt Club  
SERIES

- ▶ **Up to 1,500 stitches per minute**  
High speed straight stitch.
- ▶ **Heavy duty construction for sewing, quilting and crafting**  
Increased stability at high speeds.
- ▶ **Automatic thread cutter**  
Automatically cut the upper and lower thread.
- ▶ **Brother™ exclusive pin-feed mechanism**  
Moves several layers of fabrics simultaneously for sewing accuracy.
- ▶ **On-board fabric separator tool**  
Easily sew seams in contrasting fabrics without puckering.
- ▶ **Knee lifter for quilting**  
Ability to lift presser foot with knee frees your hands to turn your projects.
- ▶ **4 color-coded levels of feed dog adjustment and presser foot pressure**  
For visible and maximum fabric control.
- ▶ **Extension table with bobbin case opening**  
Helps you manage those large projects. Easy access point eliminates the need to remove table to replace oversized metal bobbin.
- ▶ **Dual thread stand**  
Keep 2 thread spools ready with the on-board thread stand; use the thread spool extender for quick and consistent threading.
- ▶ **Optional 6-needle felting attachment**

### Innov-is NX450Q

Quilt Club  
SERIES

- ▶ **Built-in stitches, buttonholes and fonts**  
129 built-in sewing stitches including 10 styles of 1-step buttonholes and 3 sewing fonts.
- ▶ **Easy stitch selection via 10 stitch keys**  
Quickly select the stitch pattern desired with a simple touch on the stitch keys. Easy to attach and view stitch reference chart also included.
- ▶ **Advanced needle threading system**  
With the press of a lever, the thread is pushed through the eye of the needle.
- ▶ **Built-in scissors**  
Cut the thread with just the touch of a button.
- ▶ **Memory**  
Save your favorite pattern combinations in one of the memory pockets for future use.
- ▶ **My Custom Stitch™ feature**  
Create personalized sewing stitches and save for future use.
- ▶ **Easy-to-read LCD display screen**  
The LCD display screen makes it easy to manage all sewing functions, including stitch selection, stitch length and width and recommended presser feet.
- ▶ **Hard cover included**  
Provides travel and storage protection for your machine.
- ▶ **Quilting accessories included**  
Wide table, walking foot and quilting foot.

# Sergers

project  
**RUNWAY**  
PROJECTRUNWAY.COM

Limited Edition

5234PRW

- ▶ **2/3/4 thread (1 or 2 needles)**  
Multiple thread options allow you to easily convert between 2, 3 or 4 thread stitches for professional finishes.
- ▶ **Easy one-touch needle threading for two needles**  
Easy-to-use in either needle position and easy on eyes and fingers.
- ▶ **Included large extension table**  
Expands your work area and makes for greater fabric control while overlocking.
- ▶ **Two stitch fingers**  
Adjust thread tightness for perfectly formed stitches on varying fabric thicknesses.
- ▶ **Bright work area**  
Dual level bright LED lighting helps reduce eye strain.
- ▶ **Differential feed ratio of 0.7 to 2.0**  
Helps improve stitch quality on all types of fabric and acts as the tool for custom lettuce edge finishes on specialty fabrics.
- ▶ **Color-coded thread guides**  
Allows for easy upper and lower looper threading and quick thread changes with all thread types.
- ▶ **Up to 1,300 stitches per minute**  
Saves time when sewing and completing serged edges.
- ▶ **Free arm serging**  
Removable table section makes serging cylindrical pieces quick and easy.
- ▶ **Specialty feet included**  
Blind stitch foot and gathering foot.
- ▶ **Adjustable stitch width and length**  
Easily set the stitch size for your project.

3034D

- ▶ **3/4 thread (1 or 2 needles)**  
Create a precise seam finish for professional garment appearance with household sewing needles.
- ▶ **Color-coded thread guides and tension disks**  
Allows for easy upper and lower looper threading and quick thread changes with all thread types.
- ▶ **Stitch length 0.8mm to 4.0mm**  
Suitable for any type of project and easily adjustable with stitch width dial.
- ▶ **Differential feed ratio of 0.7 to 2.0**  
Helps improve stitch quality on all types of fabric and acts as the tool for custom lettuce edge finishes on specialty fabrics.
- ▶ **Stitch width 3.0mm to 7.0mm**  
Adjustable to provide the perfect stitch width, especially on lightweight fabrics or to create the popular rolled hem on napkins and tablecloths.
- ▶ **Up to 1,300 stitches per minute**  
Helps save time when sewing and completing serged edges.
- ▶ **Free arm serging**  
Removable table section makes serging cylindrical pieces quick and easy.
- ▶ **Dual use removable trim trap**  
Collects fabric as the adjustable serger knife trims and serges.
- ▶ **Specialty feet included**  
Blind stitch foot and gathering foot.

1034D

- ▶ **3/4 thread**  
Create precise seam finishing and rolled hems.
- ▶ **Color-coded upper thread guides and looper threading**  
Allows for easy threading.
- ▶ **Stitch length from 2.0mm to 4.0mm**  
Suitable for any type of project.
- ▶ **Differential feed ratio of 0.7 to 2.0**  
Helps improve stitch quality on all types of fabric.
- ▶ **Stitch width from 4.5mm to 7.0mm**  
Adjustable to provide the perfect stitch width all the time.
- ▶ **Up to 1,300 stitches per minute**  
Saves time when sewing.
- ▶ **Removable free arm**  
Slide off arm for easy cylindrical serging.
- ▶ **Storage**  
Accessory tool storage on front panel flip-down door. Removable trim trap for foot controller storage and trim collection while serging.

2340CV

- ▶ **Wide variety of cover stitches, from utility to decorative**  
Professionally finish edges with single or dual top-stitching look. Finish interior edges and attach decorative edging at the same time. Create durable strapping for swimsuits and dance garments, chain stitch finish for hems or belt loops.
- ▶ **Color-coded upper thread dials and looper thread guides**  
Allows for easy threading.
- ▶ **1-2-3 needle options**  
Utility, flatlock and decorative stitches have even more possibilities with a variety of needle positions.
- ▶ **Stitch length from 2.0mm to 4.0mm**  
Suitable for many types of projects.
- ▶ **Fast and easy looper threading system**  
Color coded with thread management guides to assure proper thread delivery.
- ▶ **Slide lever adjustment for differential feed**  
A professional edge finish helps reduce the wavy or stretch appearance of stitches on fabrics.
- ▶ **Fully extendable thread guide**  
Numerically coded guides for specialty threads; spool guides and thread nets for serger thread and domestic thread spools.
- ▶ **Presser foot pressure dial**  
Adjustable dial assures consistent fabric delivery.
